

ZONING DISTRICT SUMMARY SHEET (7/20/11 CODE)
§ 14-2-26 MH-1 — MOBILE HOME DISTRICT (9,000 SQUARE FEET).

(A) Intent. This district is primarily intended to meet low density single family housing needs in locations appropriate for mobile homes on moderate size lots under individual ownership. Areas zoned MH-1, in combination with any adjoining MH-2 or MHP zoned areas and any adjoining areas with an Osceola County zoning of RMH, RMH-1, or RMH-2, typically have a size of at least five acres. This district is intended for use in suitable areas which have been assigned a Single Family Low Density Residential future land use designation by the Comprehensive Plan.

PLEASE NOTE: This attempts to provide an unofficial summary of the zoning district regulations and may not include all of the potential uses. It is highly recommended that consultation with the City of Kissimmee Development Services Planning Division be conducted prior to purchasing a property, signing a lease/contract, or occupying a site. Use allowance is also dependent upon whether required infrastructure is provided to accommodate the use. All uses must obtain a Certificate of Occupancy and Business Tax Receipt prior to occupying any space. All interpretations shall be based on review of the Land Development Code.

* If the property is located within an overlay district, the lot standards may differ and the design standards for that district must be consulted.
