

The Rose Hill Cemetery was donated to the City of Kissimmee in the 1880s as a gift from the A. Rose family. The cemetery spans 40 acres and is nestled among an array of majestic Oak trees that create a canopy of welcome shade on sunny days. The grounds are well manicured and offer a serene atmosphere, which is inviting to those who visit their loved ones.

Since its establishment, many people have been interred and rest peacefully in the Rose Hill Cemetery. Engravings on the headstones reflect burials dating back to the late 1800s and those that progress to the present. Other points of interest worth viewing include grave sites of Union craftsmen and veterans from the Spanish American War and the American Civil War.

The City of Kissimmee Parks and Recreation Department operates the facility, which provides a variety of burial options and services. The cemetery is conveniently located at the corner of Denn John Lane and Old Boggy Creek Road in Kissimmee. The dedicated and professional staff is available Monday – Friday to meet the needs of you and your loved ones.
