It is highly recommended that consultation with the City of Kissimmee Development Services Planning Division be conducted prior to purchasing a property, signing a lease/contract, or occupying a site. Use allowance is also dependent upon whether required infrastructure is provided to accommodate the use. All uses must obtain a Certificate of Occupancy and Business Tax Receipt prior to occupying any space. All interpretations shall be based on review of the Land Development Code.

* If the property is located within an overlay district, the lot standards may differ and the design standards for that district must be consulted.
